

Rescue Groups

We are so glad that you have decided to use our practice for some of your rescue pets needs. Below is a bullet point question list to learn certain preferences of your rescue. After the questionnaire there are a few bullet points listed to inform you of our rescue group protocols. Please review/fill out both forms, sign the bottom for us and email it back to us at office@petdoctoraz.com Thank you! We look forward to working with you!

- After spay/neuter procedures do you want us to send the spay/neuter certificates home with the foster or do you want us to keep them here for you to pick up at a later time?
* Email to: records@savingonelife.org OR Fax: 602-7152725
- After vaccine appointments do you want us to send the vaccine certificates home with the foster or do you want us to keep them here for you to pick up at a later time?
✓ Email: records@savingonelife.org OR F: 602.7152725
- We do not send invoices home with fosters, is there a specific address you would like these mailed to? Or do you want us to keep them here for you to pick up at a later time?
* Email: bills@savingonelife.org OR Fax: 6027152725 or Mail: PO Box 6458 Chandler AZ 85246
- We take many forms of payment, we can do in person with card/cash, we do care credit (in person only), and we can also keep a card on file (it is kept in a safe in the hospital directors office) however cards kept on file will still require us to give you a call to let you know the amount before we actually run the card. Which is your preference?
Card on file
- Are your fosters allowed to make decisions for your rescue pets when we have created an estimate for treatment? Or would you like us to call specific people to go over estimates with them instead? If so who is allowed to make those kinds of decisions? Please list their name(s) and their contact info.
All Decisions to be made by Director.
